

TOOL POUCHES

Keeping your tools comfortably and securely within reach. Tough inside and out, both the 5-Pocket and 6-Pocket Tool Pouches are constructed of wear-resistant Cordura with a special water, cut and puncture resistant Coverlite lining and attach securely to your belt with heavy-duty snaps.

FEATURES:

- Constructed of 1000d Cordura
- Flexible
- Comfortable
- Water-resistant for maximum durability
- Snaps securely to your belt
- Cut and puncture resistant Coverlite lining
- Holds tools firmly
- Made in America

Designed specifically with your comfort in mind, wearing these lightweight pouches does not inhibit bending or flexing, unlike other stiff and cumbersome types of materials. Our tool pouches get the job done, increase your productivity, and offer years of use.

These multi-pocket pouches conveniently hold your tools of the trade:

- Voltage detector
- Terminal wrench
- Extra pocket for your screwdriver
- Splicer snips
- Skinning knife
- or Any Other small tool
