Product Selection Notice

Title	UTECK Saf-T Lid - Temporary Manhole Cover
Issue Date	8/12/2021
Revision Date(s)	
Related Documents:	
Author(s)	Chris Grove – Network Planning and Materials (570) 826-4000

This is a Product Selection Notice for the UTECK Saf-T Lid temporary manhole covers.

These lids are designed to protect workers within, and bystanders who may enter our work area. These lightweight covers feature slots for your hands or a manhole hook, and have multiple openings to allow a cable to exit with the lid in place.
